

CHICAGO'S NEW BIKE SHARE SYSTEM

DISCOUNTED ANNUAL MEMBERSHIP FOR FEDERAL EMPLOYEES!

Divvy is a new transit system that offers Chicagoans and visitors with more options for getting around the city.

Here's how you can get a discounted Annual Membership that gives you access to thousands of bikes at hundreds of stations across the city.

JOIN

To receive your \$65 discounted Annual Membership, email chicagofeb@gsa.gov from your government email address and request the Divvy Federal Discount. FEB Staff will send you a unique discount code to use when you sign up at DivvyBikes.com. This will bring the original \$75 cost down to \$65.

You'll enter your information, unique discount code, and pay \$65 with your credit card at checkout. Divvy will then send you a key in the mail that can be used at any Divvy station across the city.

TAKE

To use a Divvy bike, simply dip your key into a dock with an available bike at any Divvy station. Station locations can be seen at DivvyBikes.com/stations. Divvy currently has hundreds of stations.

RIDE

Commute to work. Run errands. Meet a friend. Take out a bike as many times as you'd like—the first 30 minutes of every ride are included in the cost of Annual Membership. Incremental fees are incurred for trips longer than 30 minutes. More at DivvyBikes.com/pricing.

RETURN

At the end of your trip, return your bike to any Divvy station. The light will blink green when your bike is securely docked.
